Subject: Public Engagement for March

Dear RPMs on Montana Sites,

Please see 2 tables below as we continue to provide month-in-advance internal notice of public engagements for Superfund sites. The first table is for March 2017. Please let me know if you have additions/changes. I will update the national spreadsheet.

Date	Type	topic	Site & description
3/1	Meeting	Superfund	Silver Bow Creek/Butte Area Site: 2 nd meeting/tour with storm Restore Our Creek Coalition (ROCC) and remedy partners about conceptual plan and discuss alternatives to storm water retention basins.
3/3	Site Update	Superfund	Smurfit-Stone Mill Site: Progress reports and new Site RI documents will be added to the EPA webpage and a Site update will be sent to the community. Site Trustee meeting 3/9 and Interagency teleconference 4/11 will follow.
3/13	Briefing	Superfund	Silver Bow Creek/Butte Area Site: Senator Tester's office monthly briefing and site update.
3/8	Site Update	Superfund	Columbia Falls Aluminum Company Site: Initial results and a summary report will be available on the EPA webpage and a Site Update and a draft CIP will be sent to the community. Public engagement session to follow in April or May.
3/15 3/29	Public Notice	Superfund	Anaconda Site: ROD modification for OU 4 and the ESD for OU 16 will be available on the EPA Site webpage and notices/fact sheets will be published in the Anaconda Leader newspaper. A 45 public comment period will open for the ROD modification. Public meetings to follow in April or May.
3/22	Public Notice	Superfund	BN Somers Site: A 5YR report will be available on the 5-Year EPA website and noticed in the ___ newspaper.
		Review (5YR)	

10 Mile Site: A 5YR report will be available on the EPA website and noticed in the __ newspaper. Site newsletter will be distributed to the public.

This second table below is a longer look ahead at 2017 actions that may have public involvement to some extent. I know this is not complete, let me know what I can add/change. I will follow up with you on this. Thanks!
